

Xenexx connection cord – Yellow Mark

Xenexx connection cords are designed for use with corded Jabra, Plantronics or Xenexx Headsets. The cord is available with either Jabra or Plantronics QD (Quick Disconnect). An RJ9 plug on the other end of the cord is tested for compatibility with AVAYA and Cisco IP Phones.

When coiled, the cord has a length of 65cm and can be stretched up to 3m. Made from TPE reinforced Kevlar[®] the cord is built for maximum strength. Xenexx cords are tested to withstand 20,000 cycles in bend and strain tests to guarantee highest quality.

The **yellow mark** on the connection cord indicates the following Mod plug wiring: (R,M-M+,R) being compatible with IP Phones in the list to the right.

Jabra QD
Part No: 201421-20
